Missionaries of the Month –Grant and Christianne Walsh

The Walsh's have 2 church fellowships in Taiwan that their team has started/leading. They will continue to be strategic and intentional in growing these fellowships and putting resources and energy into outreach and discipleship.

They are contemplating their next moves for cafes. Right now, they have a prayer request for more workers in the field. The opportunity to grow and expand their work is significant - but they are weighing those opportunities through the grid of realistically how much the team can handle by adding more cafes.
