Missionaries of the Month –Grant and Christianne Walsh

The Walsh's just completed their second year ministering to the people of Thailand. They also have café's in India. They started two new cafes in 2022 - one in Kolkata and one in Chiang Mai. They have never done two in a year before -lots of time and energy went into these. With these cafes, they were able to hire over 30 new people - roughly half being ladies from "oppressive" or "marginalized" backgrounds. These openings have extended their credibility in the community and helped solidify their standing. Our weekly gatherings and Bible studies continue to draw staff In Kolkata, 10 staff attend on a regular basis. The business was also able to financially support and help other "spiritual" initiatives in the city - such as outreaches, paying for staff members, etc. Please pray for protection and God's guidance in their mission.
