## Sayre Woods BIBLE CHURCH

Sayre Woods Bible Church has been blessed by God through the years. He sustains our church through the generous financial support of this congregation so that this church can be there for us, our children, our ministries and our community.

This DEBT FREEDOM! Campaign Brochure will explain:

- The campaign and its goals
- How to pledge support
- How to contribute to the campaign

## WHY

By paying down our existing gymnasium debt before its refinance date in November 2024 we can free up the \$5,000/month mortgage payment. The goal of the DEBT FREEDOM! Campaign is to raise \$300,000 before this time in order to fully satisfy this burden. This will enable us to hire a full-time young adults/family pastor in 2025, which has been identified as our highest priority need.

## WHEN

The official campaign will run for 15 months (65 weeks) from April 2023 through June 2024.

## PLEDGE TYPES

Pledge commitments can be expressed as either weekly, monthly, or lump-sum. Lump-sum can be a one-time donation or multiple donations paid within the campaign period.

Whether giving by check, cash or online, please direct your payment towards “DEBT FREEDOM!” either in writing or by online direction. If using an envelope, please also make sure “DEBT FREEDOM!” and your name appears on the outside.

Please note that giving towards the DEBT FREEDOM! Campaign is in addition to your regular giving.

## ASSET DONATION

You may want to consider donating an item of value in addition to or in lieu of your monetary pledge. Some examples are a used car, boat, RV, riding lawn mower/tractor, inactive hobby collection, antiques, or other valuables. Please contact the campaign team if you need assistance.

## PRIVACY

All pledges will be recorded in Planning Center Giving module which has very limited access. Kathy Browning will personally handle all pledges from receipt to deposit. No one else will know your pledge amount. Pledge totals and donation fulfillment progress will be reported as anonymous data for monitoring the campaign progress. Your privacy has always been important at Sayre Woods Bible Church.

## SUMMARY

DEBT FREEDOM! will be a major point of focus for Sayre Woods Bible Church in 2023 and 2024. It will allow us to be well-positioned for 2025 and beyond as we prepare for the future, developing young disciples and leaders.

Please consider what God would have you give! The time to address this debt is NOW. We thank God ahead of time for your generous response.
