Feel like something is missing in your life? God has designed us for Him to have a place in our hearts and lives. Accepting Jesus as your Lord and Savior can seem like a big step, but it is the most important thing you can do in your entire life! Acknowledge you have done wrong things (we all have – Romans 5:8). If you are sorry for these sins, tell God you believe He sent His Son Jesus to die for the forgiveness of sins (John 1:12), and that you want to be with Him in Heaven one day (Romans 10:9). Your life may still have problems but you will have an inner peace and joy knowing that your ultimate fate is settled.
